

## **Cell Phones & Personal Electronic Devices:**

Woodstock Elementary School has an "Off and Away All Day" policy for cell phones and other personal electronic devices (PED). This means all cell phones and personal electronic devices are to be off and away from 7:53 to 2:30. They are not to be used or visible at any time. All Woodstock staff will clarify and reinforce this policy. If a student is found with a device, a staff member will take it away and store it in our school office. The first time it is taken away, the caregiver will be called, and the student can pick it up in the office at the end of the school day. If a device is confiscated a second time or more, the student's caregiver must make arrangements to pick it up from the office.

Student/caregiver communication during school hours can be done through the main office.

Please refrain from texting or calling your student's device/s during school hours.

Thank you in advance for supporting our students in making healthy and safe choices at school.

-----  
I have read this policy and I understand that my student/s must have their personal electronic devices off and away all day at Woodstock Elementary.
