

School and Family Communication Tools 2025-26

Below is a list of some of the tools available for families and community members to stay engaged with what's going on at Woodstock.

BOOKMARK IT!

The Woodstock School Website: pps.net/woodstock

Access information about the school, meet our staff, get the most up-to-date school calendar, see school newsletters and find school handbooks.

NEW THIS YEAR: Electronic Newsletters and Text Messages sent via ParentSquare
pps.net/parentsquare

Portland Public Schools uses ParentSquare as the primary platform for school communication. Families receive messages through email, app, voice, or text, helping everyone stay informed and involved. An account is automatically created for each parent or guardian using the contact information in our student information system. We encourage you to activate your account to download the free mobile app, set your language preferences, and choose how and when you'd like to receive messages.

The Woodstock PTA also sends weekly e-newsletters, usually on Sunday evenings. Visit woodstock-pta.org/news-updates/ to subscribe.

Community Conversations

Our school hosts regular opportunities to engage in dialogue with administration and other support personnel to discuss current issues and focus on a model of continuous school improvement. Please check the school calendar pps.net/woodstock for dates and information.

ParentVUE/StudentVUE parentvue.pps.net

ParentVUE is a secure website and mobile app which offers parents/guardians real-time access to school messages, school calendar, attendance, grades, course history, name pronunciations and much more.

School Pay: pps.schoolpay.com

SchoolPay is an online web tool that allows families to pay for items online such as classroom and/or field trip donations, library fees and other items without having to make a special trip to the school or send cash or a check with their students. Parents and guardians are also able to use one log-in at **SchoolPay** to see all items available to them, as well as payment history for each of their students.

School Lunch: PPS students are eligible to receive one free complete breakfast and one free complete lunch per school day. Lunch comes with a choice of an entrée, unlimited fruits and vegetables and milk.

Safe Oregon: safeoregon.com

SafeOregon is a program created for Oregon students, parents, school staff and community members and law enforcement officers to report and respond to student safety threats.
