Lead Agency: Self Enhancement, Inc

Woodlawn SUN, a program of Self Enhancement, Inc (SEI), aims to improve the lives of children, their families and the community by extending the school day and developing schools as "community centers" in their neighborhoods. SUN Community Schools strive to be a community "hub." For young people to be strong and healthy, their families need to be stable and their communities need to be safe and supportive. Woodlawn SUN Community School is a collaboration of Multnomah County, City of Portland, Department of Human Services, Portland Parks and Recreation, Self Enhancement, Inc. and Portland Public Schools.

Woodlawn SUN offers a free meal to students at the beginning of programming followed by tutorial taught by Woodlawn certified teachers. After tutorial students get to participate in a variety of enrichment classes. Students and families will have the opportunity to choose their enrichment classes during registration.

FAQ's:

Is SUN daycare? No. While SUN does offer free extended day programming, it should not be looked at as free daycare. SUN does not run consistently throughout the school year. It only runs Monday-Thursday in eight week increments. Enrollment is also not guaranteed, as we often have more students sign-up than we have spots for and often carry a wait-list. SUN should, however, be looked at as a chance for academic enrichment and socialization.

Is childcare offered at Woodlawn? Yes. Campfire offers before and after-school care at Woodlawn.

Do you offer Adult Fitness classes? Yes! Classes begin October 3rd! And all classes are FREE! Donation excepted! Hip Hop Cardio is offered every Tuesday from 6:30-7:30pm at Woodlawn. Please note that Adult classes follow the SUN school term schedule. *Due to staffing shortages, child care will not be offered during class.

Is there a cost to SUN? No, all classes are free!

Does SUN run on no school or teacher-in-service days? No. If school is closed, there is no SUN school. The same policy applies to inclement weather. If school is closed due to weather, there is no SUN school.

Can SUN help with Rental or Utility Assistance? Yes! Please contact Family Resource Navigator if you are in need of these resources and a referral can be made to SEI's Community and Family Programs department. We are here to help!
