(family educational nights, cultural fairs, etc.)

Outcomes

86% of students increased benchmark scores in Reading

79% of students increased benchmark scores in Math

Average daily attendance of SUN CS students was **95%**

According to teachers, of students who regularly attended SUN CS:

71% improved **classroom academic performance**

67% improved getting **homework** in on time

69% **participated** in class more

56% improved **behavior**

71% came to school more **motivated to learn**

SUN Success Story

Woodlawn School was awarded the SIG grant this year, which allowed more funding to support our students. In particular, Woodlawn SUN was able to put **ALL SUN students** in extended learning with a certified teacher for one hour after school. Students clearly understand their work more and teachers are seeing students turning in homework more consistently and on time.

SUN Community Schools are a collaboration of Multnomah County, the City of Portland, local school districts, nonprofits and community.
