

## Career Exposure Opportunities:

- **WOMEN IN ENGINEERING-** If you are interested in learning more about this event, contact the Career Coordinator.
- **If you are interested in Apprenticeships** or other Trade Careers, sign-up to discuss your options using the link: Scan the code or go to the link: <http://bit.ly/jointhetradesnow>
- **Enterprise Academy** is an innovative program put on by the Rotary Club of Portland designed to provide students the ability to interact with successful businessmen and women and to participate in a highly informative and enjoyable team project. Students will spend Friday-Sunday exploring the challenges and opportunities of our free enterprise system by inventing a product and then developing a business plan to go with it and presenting that product and business plan at the end of the weekend. The camp will be March 6<sup>th</sup>-8<sup>th</sup>, 2020 and food and lodging are provided!

# Career Newsletter

To get the most current career opportunities, text @CCINFO to 81010. You will receive a text message any time there is a job opening or new career opportunities.

The other way to get the most current information is to check out the Career Website: <https://goo.gl/VsSnpW>. The website has information about personal learning requirements, apprenticeship connection, as well as, job opportunities.

## Personal Learning Requirement

All students need to complete two Career Related Learning Experiences (CRLE). These are completed when students participate in a career exposure event and reflect on that experience. If your student needs to complete one, the links are available below:

**Requirement 1: CRLE Link #1 (Google Form)**

**Requirement 2: CRLE # 2 (Google Form)**

**Requirement 3: Resume-** Students are also required to complete and submit a resume. This is usually completed in US History and submitted to the Google Classroom. There are several workshops throughout the year that help students prepare a resume and ace an interview.

**Requirement 4: My Plan Response (Seniors Only)-** There are four questions that students will answer in a word or google document. Once finished, upload to the 2020 Google Classroom

**Google Classroom:** To find out more information about Personal learning Requirements, sign in to your google classroom.

- 2020 Class Code: aksq5m
- 2021 Class Code: jd09i52
