PPS Successful School Survey

Dear Parents/Guardians,

Please take a moment and participate in our District wide Successful Schools Family Survey. Your responses will help the Benson Tech Administration team understand your experiences regarding the climate and culture of the school and we will use this information to set goals and plan for next year. The survey will cover topics on school safety, school climate, barriers to family engagement, and how well Benson Tech fits your student's needs. Please be honest and thoughtful, and take your time to read and respond to the questions. This survey is critical to PPS and Benson Tech as we continue to grow, learn and adapt to make sure Benson Tech is supporting the needs of all students and staff within the building.

Please visit the link below on a computer, tablet, or smartphone and select Benson Tech as the school utilized by the survey. Choose the language that you are most comfortable with in taking the survey from the drop down menu and proceed. **This survey is only available from January 27th to February 28th 2020.** If you do not have access to a computer or internet, please contact the school office so that we can provide a way for you to take the survey. Thank you so much for your time and feedback!

Valentine's Day Pop-Up Snack Bar for Benson Teachers & Staff

Friday, February 14 in the Band Room

Help us show some love to the Benson teachers and staff with a Valentine's Day snack bar! Please bring non-perishable snacks any time that week (Feb 10-13) to RoiSan in the front office. We are also looking for 2-3 people to help with set-up (7-7:30 am), and 2-3 more to help with clean-up at the end of the day (3 pm). You can also Venmo money to @karenpetersnm - all funds received will be used to purchase snacks for distribution on Friday.

A sign-up for set-up and clean-up are at this link (**you do NOT need to sign-up to bring snacks**): <https://www.signupgenius.com/go/10C0A4DA8A72CA2FB6-valentines>

State Representative Rob Nosse is interested in hearing from parents. Please help us welcome him to the monthly **TechPride Volunteer/TechBoosters Meeting** tomorrow, 2/11, 6PM at the Benson Library Classroom. Other agenda includes Winter Season financials, planning for Tech Show and Spring Fundraiser.

Check out the new online **Tech Pride Spirit Store** at bensontechboosters.org! Submit your order and pay online, then you (or your student) can pick up your order the next Friday 3-4PM at the concession stand. While you're at it, you can [volunteer here](#) to pass out food donated by the **Hopscotch** organization. It's fun, it's fast, and it's every Friday from 3 until the food runs out (less than 1 hour...).

Concession sales are going great, but we need your help to keep up the momentum through the busy winter sports season. Go to bensontechboosters.org to sign up for a shift. If you're new to concessions, email us at bensontechboosters@gmail.com for a quick orientation to our turn-key concession stand.

A Message from the Benson Tech Student Leadership Class

Penny Wars

February 3rd-14th

Help your graduating class win by bringing pennies to your English class.

Winning class earns a Voodoo donut party on Feb 21st!!

Don't forget you can sabotage the other classes by adding silver coins and paper bills.

100% of the funds collected go to Communicare, which is directly supporting local non-profits on mental health education and environmental education

A Message from Joe Rozewski (Art Director/Yearbook Coordinator)

"The last day to order a Yearbook for 2020 was February 2nd" Use School pay on the website or contact Ms. Knox in bookkeeping." No yearbooks can be ordered after this date as we have to give the company an order number and we have no extra funds to order extras this year." Also, if you think that you ordered last year's 2018/2019 yearbook and haven't picked it up yet, they are available in the Bookkeepers office. The Bookkeeper still has 3 boxes of year books that haven't been picked up yet. This also means that if you did not order last year's yearbook you can still purchase one now. Thanks!!

A Message from Benson's Instructional/Climate Coach & Dean of Students

Parents/Guardians, please join us for our monthly Climate Team Meetings!

Your input, perspective, and voice are needed and wanted.

Location: Benson High School, room 125 (aka, the Band Room)

Upcoming Dates:

February 18, 2020

March 17, 2020

April 21, 2020

May 19, 2020

Time: 8:30 am-9:30 am

School Climate refers to the quality and character of school life. The purpose and function of **Benson's Climate Team** is to get multiple voices and perspectives from the Benson Community (Students, Parents, Staff, Administration, Community Members, Counselors, etc.) in order to create the best possible school culture and climate for our school. What we do collectively, what positive relationships we create, and what opportunities we provide our students, staff, and greater Benson community create positive and effective Climate within the school. We meet once a month for an hour--please join us!

****Please note that this is Climate that has to do with creating and building school culture and is not an environmental group.***

A Message from Benson Tech's Athletic Director Scott Archer

Spring Sports Are Near:

The first official spring practice is Monday, March 2.

Please register your student BEFORE March if they plan to compete in a spring sport (Track, Baseball, Softball, Tennis, and Golf (TBD)).

Registration is handled through FamilyID: www.familyid.com (search Benson Tech). PLEASE make sure your student has selected the SPRING sport they plan to join, so we have them on our clearance list.

Please have your student stop by the athletic office to confirm they have completed FamilyID, AND have a valid physical on file here at Benson, or uploaded to FamilyID.

Sports Fees:

A reminder to please pay any current or outstanding sports fees from this year, and years previous.

Fees will follow your student around, and it is our hope that the fees are paid each sport season to avoid one large bill awaiting your student at graduation.

Sports fees are capped at two sports per year. Pro-rated pricing for anyone who qualifies for Free-and-Reduced programming.

Benson Golf:

Benson is still looking for a golf coach for the 2020 season.

The position is posted at PPS.net under jobs, and can be found by clicking 'athletics' on the job page. Email sarcher1@pps.net with any questions, or any leads on a coach.

Go Tech!

A Message from Benson's Beyond Benson Program

Attention Class of 2021 Juniors

Are you planning to go to college? Do you need help with applications and scholarships? The Beyond Benson program applications are available in the Counseling Office and during your forecasting meeting with your counselor. Applications are due February 26.

Beyond Benson matches Benson Tech juniors with a community mentor who helps students with post high school preparation. Typically, the mentors work privately with each student to provide individual assistance such as: applying for scholarships, researching colleges and completing college applications, and preparing for interviews.

If you are interested in being in the Beyond Benson program, please read the following expectations very carefully:

Qualifications: Have a 3.0 cumulative GPA and at least a C in core classes.

Meetings:

Meet with your mentor at least twice a month through the end of your senior year.

Contact your mentor in advance if you have to miss a meeting.

Attend small group meetings on post-high school topics.

NOTE: if you have three unexcused absences, you will be dropped from the program.

For more information contact Beth Burczak at BeyondBenson@gmail.com
