Xusuusinta Caafimaadka iyo Badqabka- Foomka Oggolaanshaha

Maarso 30, 2021

Qoysaska Qaaliga ah ee PPS,

Waxaanu ku faraxsanahay inaanu ardayda ku aragno iskuulada, laga bilaabo Khamiistan iyo Jimcaha! Waxaan rabnaa inaan idinla wadaagno waxayaabbo aan jecelnahay inaan idin xasuusino oo ka mid ah caafimaadka iyo badqabka. Dhammaan shaqaalaha iyo waalidiinta/daryeelayaasha waxaa looga baahanyahay:

- Inay maalin walba isbaaraan inay xanuunsan yihiin ka hor inta aanay ka soo bixin guryahooda oo ayna soo galin iskuulada ama ayna soo raacin basaska PPS. [Liistada Jiro Iska Baarista Maalinlaha ah](#) waxay sharaxaysaa runtii waxa loo baahan yahay.
- Haddii shaqaale/arday leeyahay calaamadaha jirada ama 14 maalmood ee ugu dambeeyey qaaday xanuunka COVID-19, waa inay joogaan guriga, ka dibna ay wargaliyaan iskuulka ama qofka madaxdiisa ah, ka dibna la xiriiraan takhtarkiisa.
- Marka la xaqiijiyo inaad qabto xanuunka ama loo malaynayo inuu ku hayo COVID-19, Dugsiyada Dadweynaha Portland (PPS) waxa ay raaci doonaan habmaamulka Kiiska, kaasi oo aad ka heli karto marka aad ka raadiso adiga oo [gujinaya halkan](#).

Foomka Oggolaanshaha Baaritaanka COVID-19

Maadaama aynu ku soo noqoneyno waxbarashada iskudhafan ee iskuulada, Dugsiyada Dadweynaha Portland waxa ay ka codsan doonaan qoysaska ardayda oggolaanshaha in ardayda laga baaro COVID-19 ka hor maalinta ugu horeysa ee waxbarashada iskudhafan.
