Staff

Carole Smith, Superintendent
Caren Huson-Quiniones, Board Senior Specialist

VALEDICTORIAN RECOGNITION

Each Valedictorian for 2012-2013 introduced themselves and one student from each high school answered the question, "what in your years at PPS has prepared you for your next steps?"

SUPERINTENDENT'S REPORT

Superintendent Smith reported on: Verselandia; Vietnamese Communities of Oregon; the Chief Joseph mural; Jackson Middle School Leonard Bernstein School of Artful Learning; and, Women of Wind Energy's Portland Chapter partnering with Abernethy Elementary School.

STUDENT REPRESENTATIVE RECOGNITION/REPORT

Student Representative Garcia read her report aloud.

PUBLIC COMMENT

De Tran, An Pham, and Hong Nhu Le advocated for a Vietnamese Immersion Program for PPS.

Winter Harvey spoke on Glencoe Kindergarten who had several substitutes and student teachers when the teacher was diagnosed with cancer. A teacher was finally chosen to replace her and met with the parents; however, another teacher was actually hired in March. Parents did not have a formal meeting with her until days after her hiring. Ms. Harvey questioned why the final hire was a different teacher which parents did not have a chance to meet with. Parents were told that she was owed the position. That decision was not based on the best interest of the kids. Her son became insecure after the third teacher and she had to pull him out for the remainder of the school year and home school him.

May 20, 2013

John Gueschow reported on the new PPS Equal Access Policy and stated that overall he was pleased with the results. He suggested a career fair at every high school each year.

Margi Brown stated that she wants all kids to have a highly trained and prepared teacher. We need to adopt the hiring practices of competing school districts. The PPS process is too slow, which allows other districts to hire the best candidates first.

APPROVAL OF 2013-2014 BUDGET

Tom Kane testified that there are ten teachers at Alliance and that they do not have access to parental support. It felt like the District was trying to smash square pegs into round holes and wanting to outsource education.

Jerry Eaton, Alliance teacher, stated that she supports alternative education and that the cuts proposed were not due to reduced needs. Alliance staffing is being cut; there would be more students but fewer teachers.

Mary Cogswell stated that she was appreciative that teachers would be added back into the high schools.

Amy Kohnstamm commented that two milestones of the budget were academic study halls and the full-day high school schedule.

Lisa Zuniga thanked the Board and Superintendent for listening to the Parent Coalition.

Lauren Shapton asked the Board to support the equity funding and the addition of high school teachers, adding that engaging students more is a good thing.

Director Regan commented that it was difficult to understand how the Alliance program was being staffed and asked that the District be more transparent in how that program is funded. Director Adkins added that the board needs more of a spotlight on alternative education in general.

Director Regan stated that she thought the budget supports the Board's priorities. PPS has stronger partnerships than ever before.

Director Morton mentioned that the budget process demonstrated a willingness of the District and Board to examine requests coming from the public.

FIRST READING: PROPOSED AFFIRMATIVE ACTION POLICY

A First Reading of the proposed Affirmative Action Policy was held.

CJ Sylvester, Chief Operations Officer, and Jim Owens, Executive Director of the Office of School Modernization reported on the facilities visioning process and shared a video of a visioning session. Mr. Owens reviewed the Balanced Score Card.

RESOLUTION

1. The Budget Committee commends the superintendent for developing a budget that puts into effect the differentiation of resources called for in PPS Racial Educational Equity Policy. The Budget Committee acknowledges the partnership that the District has developed with its community partners including the Coalition of Communities of Color. The Budget Committee recognizes the commitment to equity represented in this budget by:
 - An increased staffing equity formula that includes an allocation to schools with a high concentration of historically underserved students
 - The creation of the Portland International Scholars Academy for students in grades 9-12 who are new to PPS and have limited proficiency in English
 - Funding for continued professional development to enhance culturally responsive practice and decision making, for development of an implementation plan for an affirmative action policy, for a hearings officer to improve discipline consistency and for expansion of prevention strategies such as Restorative Justice.
2. The Budget Committee commends the superintendent for developing a budget that prioritizes access to a full day of instruction for all students with the support and advocacy of our parents coalitions. In addition the Budget Committee:
 - Affirms the commitment to access to a full school day for all students represented in this budget by the provision of an additional 58 teaching FTE to high schools and expresses appreciation to the superintendent and her staff for developing a revised staffing option for high schools that accomplished this outcome.
 - Recognizes that the superintendent, central office staff and high school principals will create a strategic framework/schedule that meets state standards on instruction in time to report back to the Board of Education by January 15, 2014 to inform the development of the 2014/15 budget.
 - Acknowledges that the superintendent has directed staff to review best practices for staffing and programming study halls to improve the academic value of these as part of the high school experience.
3. The Budget Committee approves the budget as summarized in Attachment "A".
4. The Budget Committee approves the budget for the fiscal year 2013/14 in the total amount of \$852,773,574
5. The Budget Committee resolves that the District imposes the taxes provided for in the approved budget:
 - a. At the rate of \$5.2781 per \$1,000 of assessed value for operations;
 - b. At the rate of \$1.9900 per \$1,000 of assessed value for local option tax for operations;
 - c. In the amount of \$46,007,694 for exempt bonds.

And that these taxes are hereby imposed and categorized for tax year 2013/14 upon the assessed value of all taxable property within the district.

Taxes are hereby imposed and categorized as for tax year 2013/14 upon the taxable assessed value of all taxable property in the District, as follows:

May 20, 2013

	Education Limitation	Excluded from Limitation
Permanent Rate Tax Levy	\$5.2781/\$1,000 of assessed valuation	
Local Option Rate Tax Levy	\$1.9900/\$1,000 of assessed valuation	
Bonded Debt Levy		\$46,007,694

6. The Budget Committee further resolves that \$.5038 per \$1,000 of taxable assessed value is excluded from division of tax calculations, as the Permanent Rate Tax Levy attributable to the increase provided in section 11 (5)(d), Article XI of the Oregon Constitution (such increase is a result of the expiring Gap Tax Levy).
7. The Budget Committee directs submittal of this approved budget to the TSCC by May 28, 2013, in accordance with ORS 294.431, under the extension as granted by the TSCC.
