

School Supplies for 2019-2020

The Alameda PTA is excited to continue to bring bulk school supply purchasing to Alameda for the 2019-2020 school year! Bulk school supply purchasing differs from traditional school supply ordering in that instead of families ordering individual school supply kits or receiving lists of supplies to provide on the first day of school, every family will make a financial contribution and all monies collected will go into a fund to purchase communal supplies for every classroom.

We request each family contribute the **\$45/student fee by July 15***, and the PTA will purchase all students' supplies for each classroom. You may submit a check with the bottom portion of this form indicating your child's name and grade to your child's teacher. Please **make checks payable to Alameda PTA**.

If you prefer to pay online, you may do so by visiting <https://www.pps.net/Page/10809>.

If there are circumstances that create a hardship in paying the fee, the Alameda PTA will help cover costs for supplies for any families that could use financial assistance. Please visit the web page listed above, click "order" and then in the online store choose the "Reduced Fee for Supplies" product and enter the amount you feel comfortable paying; the PTA will cover the rest of the costs, even up to 100% where requested.
