

## PORTLAND PUBLIC SCHOOLS

Re:

Keeping our schools and children safe is a top priority for all of us. Oregon law requires that when threats are made at school, we notify parents of the threatened child in writing. This note is a follow-up to our conversation on [redacted] about an incident involving your child.

Please call me at [redacted] if you have any further questions or concerns about the situation we have discussed. Your child's safety and well-being is important to me.

Sincerely,

c: Student's File, School Supervisor
