Responsible Positions

The position responsible for maintaining and implementing the Portland Public Schools Healthy and Safe Schools Plan is the Director of Risk Management.

Joe Crelier, ARM
Director of Risk Management
(503) 916-3204
jcrelier@pps.net

The position responsible for compliance with Asbestos regulations is the Senior Manager of Environmental Health and Safety

Brett Borgeson Senior Manager of Environmental Health and Safety (503) 916-3502 bborgeson@pps.net

For Integrated Pest Management, contact Facilities Maintenance or Risk Management

Communications

The District will make all final test results and detailed information explaining the test results, available to the public within 10 business days of receiving the results by posting on the District's Healthy and Safe Schools webpage. www.pps.net\healthyschools

Notice of the significant results will be sent over the email system to the affected individual school communities. Hardcopy results are maintained at the District's central office in the Risk Management Department.

Radon

In accordance with Oregon Revised Statute 332.345, Portland Public Schools has developed the following radon testing plan:

Schedule of radon testing

- Radon testing began during the 2015/2016 school year.
- Testing will continue annually to meet the five or 10-year re-testing requirements.
- Testing will occur in the recommended testing period described as "winter heating months," typically October through March.

Results

Radon testing results will be available on the District's web site and provided to the School Board and the Oregon Health Authority. Results will include measurements and reference the level of radon at which the United States Environmental Protection Agency recommends schools take action to reduce indoor radon.

Methodology

Portland Public Schools has contracted with PBS Engineering and Environmental Inc. of Portland, OR for radon level testing, contract number RS- 62476. Additional radon testing resources will be utilized as needed. Portland Public Schools and its contractors will follow the scope and intent of Oregon Health Authority's Testing for Elevated Radon in Oregon Schools version 1.0– 2016 and EPA guidelines. Construction of mitigation projects are published for competitive bidding.

Plan submission

The District's radon plan was submitted to the Oregon Health Authority on August 30, 2016, via e-mail to radon.program@state.or.us. Updates and revisions have been submitted to OHA at the beginning of each school year.

Elevated Levels of Lead in Water Used for Drinking or Food Preparation

In accordance with OAR 333-061-0400 (Reducing Lead in School Drinking Water) and OAR 581-022-2223 (Healthy and Safe School Plans), all Oregon school districts, education service districts, and public charter schools are required to test for, and mitigate exposure to, elevated levels of lead in water used for drinking and food preparation.

Initial testing

Initial testing is required between January 1, 2016 and June 30, 2020. Portland Public Schools has completed initial testing and continues to replace fixtures and return fixtures to service.

Ongoing testing

Ongoing testing is required every six years beginning July 1, 2020. During every school year, Portland Public Schools will conduct water testing on a portion, approximately 1/6, of the applicable district-wide fixture inventory.

Sampling methodology

Collection of water samples is done in accordance with OHA rules and EPA guidance in the 3Ts for Reducing Lead in Drinking Water in Schools and Childcare Facilities, October 2018.

Test labs

Test labs utilized will be accredited by Oregon Health Authority

Lead Paint

In order to comply with the United States Environmental Protection Agency's Renovations, Repair and Painting Program Rule, and OAR 581-022-2223(5)(e), Portland Public Schools painting staff and contracted painters are RRP certified. Current paint work abates or encapsulates deteriorating paint.

Integrated Pest Management

The district has adopted an integrated pest management plan as required by ORS 634.700 through 634.750. Community members may access a copy of Administrative Directive 3.30.083-AD here - link
