

GROW PORTLAND

Connecting. Educating. Sustaining.

Who are we?

Grow Portland provides garden & environmental science education by partnering with schools and supporting gardens & outdoor learning spaces throughout the city.

***Farm & Garden education
happening with your school!***

ZENGER *farm*

"Visit us at Zenger Farm at our Open Farm Days on the First and Third Saturdays every month. We have a variety of activities available, tours, gardening, and workshops for all ages!"

Register at: www.zengerfarm.org/events

Follow us on IG! @zengerfarm

GROWING GARDENS

Growing Gardens offers free support to set up home gardens to income-qualifying families in the district. At Cherry Park elementary, they offer garden harvests in season, distance learning videos and lessons and Garden Explorer kits."
