

Water!

GROWPORTLAND

Water is all around us! It is in our bodies, in the plants outside, and is used to make many things that we use everyday.

Can you think of FOUR ways that you have used water today?

Color and complete the WATER CYCLE with these words:
Precipitation, Collection, Evaporation, Condensation

1. _____

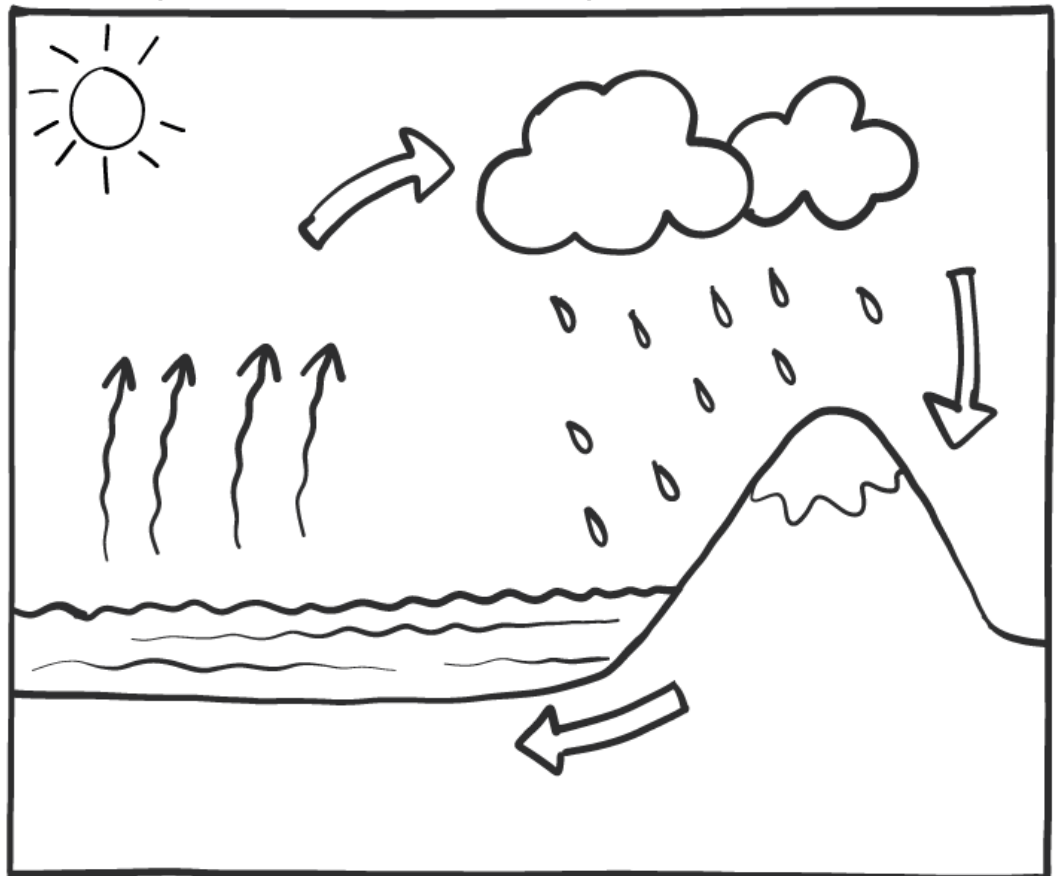

2. _____

3. _____

4. _____

Rain, snow and sleet from rain clouds

Water running from land into the ocean

Sun heats the waters and dries it up

Water vapor in the atmosphere turns to water
