

Garden Greens Pesto

Ingredients

- 2 cups greens (like arugula, kale, or spinach)
- 2 tablespoons nuts or seeds
- 2 cloves garlic
- 1/2 cup olive oil (or any oil you have!)
- 1/2 cup parmesan cheese (optional)

Directions

In a blender, food processor, or mortar and pestle, combine greens, nuts/seeds, and garlic.

Slowly add in oil and cheese.

Enjoy on pasta, crackers, or veggies!

Usually, pesto is made with *basil*, which grows in the summer. This recipe uses greens that grow in the fall and winter - *arugula, kale, and spinach!*
