

2016-17 Bell Schedule

School days alternate between A days (periods 1-4) and B days (periods 5-8). Tutor Times will be held most Thursdays and additionally on either Wednesday or Friday. Assemblies will be held during the Tutor Time block. PPS High schools do not follow the late arrival schedule, but instead have early release for professional development on four Wednesdays throughout the school year: September 21st, October 19th, February 15th, and May 17th. Consult the Google calendar on the front page of the WHS website for A and B day designations and Tutor Times.

Tutor Time provides students an opportunity to get additional help from their teachers, make up exams, or collaborate in peer study groups outside of regular class time. All students are required to remain on campus and utilize Tutor Time to see teachers or work independently on school assignments.

A/B Standard Schedule

Tutor Time/Assembly

Period			minutes
