

## **Work Begins on the Faubion PK8 Concordia University Building this December!**

### **Construction impacts on the neighborhood:**

- Work may occur on some evenings and on some weekends.
- There will be increased construction traffic on and around school grounds.
- Street closures are not anticipated. Work in the public right of way will include sidewalk and crosswalk improvements.
- Site security is a priority. Construction fencing will surround the property for the duration of work.
- If you have construction concerns, a Faubion construction hotline will be brought online soon.
- Check the website - <http://FaubionBond.pps.net> for more information.
