

Dear Kindergarten Families,

Welcome to Beverly Cleary at Hollyrood. We are all very excited about the 2016-2017 school years. The kindergarten team is requesting a monetary donation of \$30. We will use this money to purchase the supplies needed for daily use by the students in class. This will allow us to have uniformity of supplies within each class, and take advantage of sales and school discounts. Do **NOT** send this money into the school during the summer. Instead, checks will be collected by your child's classroom teacher on the first day of school, after the assessment day.

Each student will need to bring a backpack to school. The backpack will need to be large enough to fit their winter coat rolled and put inside the backpack and then zipped closed. Please bring one ream of copy 8 1/2 x 11 copy paper and a box of Kleenex. They will also need a sturdy plastic, 2 pocket (pockets at the bottom) folder to carry papers back and forth from school each day.

We appreciate the generosity of our families and we thank you for your support in advance.

Kindergarten Team
