

PHONES

DEMO POLICY _____ 2025

1

NO PHONES

- Students keep their phones put away during class time. If you need a chromebook, there are loaners in the library.

2

IF...

- If students have their phone out in class, teachers give them a warning

3

THEN...

- If they have it out again, teachers give a “sleeping bag.” It goes in the bag, unsealed, and stays on the center of the table so that students and teachers can see it.
- Students get it back at the end of the period

4

BUT...

- If students refuse to put their phones in the sleeping bag or take their phones out of the bag, teachers dial 0 and a CSA or admin will come escort them to the office.
 - Teacher enters referral and students will go on the ladder
 - Families get a phone call
