MESSAGE FROM THE PRINCIPAL

Dear Glencoe Community,

It's hard to believe we have reached the final Friday of the year! Only four days left. The end of the year is always bittersweet. Looking forward to summer is exciting, and at the same time it's hard to say good-bye to students and teachers that will not return to Glencoe. We have our 5th graders who will continue their journey in Middle School next year, or families moving away and on to other schools. We will also miss our staff members that are not returning next year. It is always hard when the community shifts and members come and go.

The end of the year also brings a lot of exciting events and ways to celebrate together. Next week alone we have Field Day, our end of year assembly, 5th grade promotion, and field trips to name a few! I hope we can all take the opportunity to enjoy the last week of school and all the fun in store as we wrap up the school year.

I hope you all have a great warm weekend! I look forward to seeing you all on our last Monday morning of the 2024-2025 school year.

In appreciation,
Katie

Pride Month!

🌈 ✨ 🏳️‍🌈 🏳️‍🌈 At Glencoe, we believe that every student deserves to feel valued, respected, and loved for who they are. 🌈 ✨ 🏳️‍🌈 🏳️‍🌈

Our school community is made up of families with many different backgrounds, experiences, and identities. Some of our students have LGBTQ+ family members, and some students are discovering their own identities as they grow. During Pride Month and throughout the year, we're committed to fostering an environment where all students feel they belong.

We know that LGBTQ+ youth often face unique challenges, and research shows that supportive school environments make a tremendous difference in their well-being and academic success. This month, we're reminded of our shared responsibility to show extra kindness, understanding, and support to any student who might need it.

As we celebrate Pride Month, we encourage families to continue conversations about respect, kindness, and acceptance at home. Together, we can ensure that every child in our school community feels seen, heard, and celebrated for exactly who they are. Throughout this week and next, you may notice a "Kindness in our Community" Campaign yard sign project hosted by our school's fabulous GSA. These yard signs are created by the students in GSA to spread positive messages of love, acceptance, and empowerment to the rest of the school community.

If you have questions about our school's commitment to inclusivity or would like resources for supporting all students, please don't hesitate to reach out to Miss Madi!

A Special Good-bye From Ms. Madi

This year we have to say good-bye to Ms. Madi, who has been beloved in this community by colleagues, students and families alike for the past five years. She has created an affirming space for our students who identify as gender expansive and allies, and has been a trusted adult for many more. To share her feelings on this change and say good-bye, Ms. Madi has recorded [this message](#) for the community. Please join me in wishing her all the best and in appreciating her for all that she has brought to Glencoe! We love you, Ms. Madi!

Field Day Request

We're doing a staff inflatable race for Field Day, and would like to borrow your inflatable costumes! If you have one to lend, please label it inside (with duct tape or similar) with your last name/classroom teacher name and drop it by the office by Tuesday 6/10 at 8:00. Thank you!

Rhythms of Tomorrow: A District-Wide Black Music Month Celebration & Guide to Middle School

RHYTHMS OF TOMORROW
CELEBRATE BLACK MUSIC. EMPOWER THE FUTURE

A Joyful **FREE** Portland Public Schools & Albina Music Trust Showcase of Black Music Month
Designed Especially for 5th-grade Black Families

Sunday, June 8
PROPHET EDUCATION CENTER, 501 N DIXON ST
2:00-4:00 PM | RSVP BELOW

This event is presented in partnership with

Albina Music Trust PPS ARTS

Celebrate heritage, enjoy live performances & storytelling by youth & local artists, gain support for the middle school journey, and honor Black excellence

We are excited to invite you to an uplifting and celebratory event designed specifically for **5th-grade Black students and their families: *Rhythms of Tomorrow***. This district-wide celebration honors Black Music Month and provides important resources to help prepare for the transition to middle school.

Event Details:

Date: Sunday, June 8

Time: 2-4 PM

Location: Prophet Education Center (PPS Central Office), 501 N Dixon Street

Purpose:

- **Celebrate Black Music Month** with live performances and storytelling from Black Portlanders.
- Uplift Black history and culture in partnership with the **Albina Music Trust**.
- Provide key guidance and resources to help families prepare for the **transition to middle school**.
- **Create a space to connect** with community leaders and PPS staff in a joyful, affirming environment.

This event is a fantastic opportunity to celebrate Black culture, connect with the community, and ensure Black students feel supported as they move into middle school. We strongly encourage all 5th-grade Black students and their families to attend.

Kindergarten Registration

If you are a current Glencoe family with an incoming Kindergartner for the 2025-2026 school year, please remember that you will need to enroll your new student. We are beginning to think about class lists and planning for next year, and having more accurate numbers helps with this.

Please register your incoming student as soon as possible.

Playground Safety

You may have noticed the caution tape around certain playground fixtures (the spinner and tire swings). After a visit from PPS Risk Management, issues have been discovered with these items that need to be resolved before we can open them up for play again. Once I have a timeline on when that will happen, I will let you know. Thank you for your patience!

PBOT Safe Routes Survey!

Want a chance to win a \$25 Fred Meyer gift card! Glencoe is partnering with the Portland Bureau of Transportation (PBOT) Safe Routes to School program to support kids walking and biking to school.

To kick off this partnership, we would like to hear from you! Please take this quick survey to help us better understand our school community and how families travel to and around our school.

For more information on Glencoe's bike bus / walking school bus, contact Rob at

rob.galanakis@gmail.com

Stay tuned for more updates on our work with PBOT Safe Routes to School!

¿Quieres tener la oportunidad de ganar una tarjeta de regalo de \$25 de Fred Meyer? ¡Glencoe se ha asociado con el programa Rutas Seguras a la Escuela (Safe Routes to School) de la Oficina de Transporte de Portland (PBOT) para apoyar a los niños que caminan y andan en bicicleta a la escuela!

Para iniciar esta colaboración, ¡queremos escucharte! Por favor, completa esta breve encuesta para ayudarnos a comprender mejor a nuestra comunidad escolar y cómo las familias se desplazan hacia y alrededor de la escuela.

Para más información sobre el autobús en bicicleta o el autobús escolar a pie de Glencoe, comunícate con Rob al rob.galanakis@gmail.com ¡Pronto compartiremos más noticias sobre nuestro trabajo con el programa Rutas Seguras a la Escuela!

[PP&R - Inclusion Request Form](#)

Withdrawal If you need to withdraw from a camp, Please do it no later than the Wednesday before the camp begins.

Questions Jeff Persell, 503-278-0411
jeff.persell@portlandoregon.gov

SUN (Schools Uniting Neighborhoods) Community Schools offer extended school day programs to students of all ages within the immediate school community, providing academic support, enrichment, and extra-curricular activities. Additionally, many SUN sites operate food pantries, and provide adult education and recreation, parent and family activities and events.

*Portland Parks and Recreation SUN Community Schools encourages the Mt. Tabor Community to register for these summer camps.

ARCHITECTURE FOUNDATION OF OREGON SUMMER CAMP

We are preparing for our 5th annual **Architects in Schools Summer Camp** that will be held **virtually June 23rd, 2025 through June 27th, 2025**. We would be thrilled to have you join us for this engaging camp!

There are several great camps for Oregon students to explore design this summer (including our Architects in Schools Camp, NOMA PDX's Project Pipeline, ELSO's Wayfinders and more) and we have compiled those opportunities into our **2025 Summer Camp Catalog** (for students K-College). Registration deadlines are approaching soon.

This year's theme is Our Future Together: City Design Adventure. During this camp, students will learn about what contributes to a thriving community, and how empathy and inclusion can lead our design when building a city of the future. They will take on the role of a design and building professional to plan and design their future city with their community, resiliency, and sustainability in mind. By implementing the design process, students will be empowered to lend their voices to create a better future for all! Students will be introduced to technical architecture practices such as drawing, planning, model making, and more.

How it works: The camp is entirely virtual – meaning students can participate from home. To engage in the camp, participants will need a computer, tablet, or other device with access to the internet.

Every day, we will email you the digital lesson including hands-on design activities, reading, thinking exercises, and pre-recorded videos. There will also be a live Zoom session every day from 12:30-1:30pm PT. The live sessions are optional but highly recommended so students can meet practicing architects and designers and fully experience the camp content.

Cost: We recommend a participation fee of \$25/child. Please choose your payment tier based on your financial resources. **No family will be turned away due to inability to pay.**

ANNOUNCEMENTS

DIGITAL SCHOOL KIT - SUMMER ACCESS

Students will have access to most PPS Digital Toolkit applications during the summer. Students who enroll in summer school may notice changes in some applications once summer school begins. Most PPS Digital Toolkit applications will remain active throughout the summer. Applications may be temporarily unavailable at the beginning of August as PPS shifts to the 2025-26 school year.

Please note that during the summer months, teachers are not active inside the digital tools and applications. Parents should be aware of what students are doing online. Parents and families may find the Securly application and digital citizenship resources helpful.

PPS CANVA MIGRATION FOR STUDENT ACCOUNTS

To take full advantage of the features available in our district-wide Canva deployment, we have transitioned to a new Canva structure. **Rest assured, no content will be lost during this migration and Canva for Education in PPS still gives you full use of the premium features.** As part of this process, you will be added to one or more new Canva teams that align with your school. **Students must copy their archived designs to their school/team account before June 30th, 2025.**

SIBLING STORYTIME - ADDITIONAL DATE

The group decided at the last Sibling Storytime to add one last Storytime to the calendar. The final Sibling Storytime of the year will be **Wednesday, June 11th.**

Please join us for
Sibling Storytime!

On the library Story Steps

**Every other Wednesday
from 8:10-8:30**

PPS DOCUMENTARY FILM SCREENING

Join us for a FREE Screening of Disney's Out of My Mind!

PPS is hosting a series of events that focus on Belonging, Equity & Inclusive Practices where we will screen powerful, award winning documentaries that will stir, provoke, and challenge each of us about what is possible in the systems we create for our children with disabilities. Staff, Parents, Community are all invited. The final screening for the year will be Out of My Mind on **Saturday June 7th at Roosevelt High School from 2pm-4:15pm.**
