# Staff Professional Development

Equity Based Teaching and Learning

Why?

42% of students from Grant going to summer scholars are Historically  
Underserved Students

(HUS make up 25% of our student body)

**Every Student Matters, Every Student Succeeds**

# Equity Based Teaching and Learning Why?

Our SpEd students are almost twice as likely to  
earn a failing grade than their non-SpEd peer

**Every Student Matters, Every Student Succeeds**

# Equity Based Teaching and Learning Why?

As students move up in grades more and more  
students fall off the on-track trajectory

**Every Student Matters, Every Student Succeeds**

## PLC Focus

- Learning Targets (student friendly)
- Standards based instruction and assessment
- Equitable grading practices

**Every Student Matters, Every Student Succeeds**
