Raccoon that was injured and hanging around our playground has been captured. Mult. Co. Animal Control came to our school within 1 hour and was very helpful.

## **Status of Recommendations**

SRO had to be rescheduled until 2/12/19 staff meeting.

Also, fire pulls need to be covered with plastic covers - all of them! Also, our fire alarms need to be tested. It is very difficult to set off the alarm and our custodian had a hard time making it go off.
