NEWS FROM THE PRINCIPAL

Dear Glencoe Families,

You may have heard there was some social media attention about students eating outside at a PPS elementary school during this week of colder temperatures. I wanted to reassure you that if we have an outside eating day (we did on Tuesday and we'll likely do so today) it is a choice for students. The majority are choosing to remain inside for lunch but about 20-30 during each of the three lunch periods do opt to eat outside. And if someone decides it is colder than they anticipated they are able to move back inside. On fully inside days we do have some students who prefer to eat in the hallway right outside the cafeteria.

Pajama Day was a success and I think everyone managed to stay awake all day!
I hope you all enjoy the holidays and have time with family and friends. We will see your students on January 3, 2022!

FOUNDATION NEWS

From the Glencoe Foundation

Keep an eye out for our next "Parent's Night Out" in February. If you would like to host a themed Parents Night Out, let us know.

The Glencoe Foundation relies on fundraising for critical staffing. In years past, we have hosted a great evening out at our auction. As we are still unsure of how to navigate through covid, we are trying to come up with ways to bring our community together while raising funds for our staffing needs. Have an idea? Want to donate an item or service to auction or raffle? Would you like to Sponsor the Foundation? - Reach out to Sara Weith at glencoe.elementary.auction@gmail.com.

If you are feeling generous this holiday season- think about donating to [The Glencoe Foundation](#) .
